

WERK Day Volunteer

POSITION OVERVIEW

WERK (Wilsonville environmental resource keepers) Day is an annual event that draws over 300 volunteers for a variety of park projects. Each year the projects differ but are focused within Memorial Park.

RESPONSIBILITIES

- Painting soccer goals
- Placing bark chips on trails
- Rebuilding areas of trails that have eroded
- Removing ivy, holly, blackberry, and other invasive species
- Sanding and painting picnic tables
- Planting native species
- A variety of other tasks

OTHER INFORMATION

Participants are treated to a free omelet breakfast with coffee. Local businesses also partner with the city to provide some additional goodies for the hardworking volunteers.

Name (First, Last)
