ISSUE BEFORE COUNCIL
The issue before Council is consideration of the draft Wilsonville Tourism Development Strategy.

BACKGROUND
On April 24, 2014, members of the Tourism Development Strategy Task Force recommended to the City Council adoption of the Wilsonville Tourism Development Strategy, May 2014. Members of the Task Force reviewed the Revised Draft Wilsonville Tourism Development Strategy, April 2014, on April 24 and made a number of suggestions that have been incorporated into the final, May 2014 version of the document.

At direction of the City Council, staff recruited a diverse, 17-member volunteer advisory task force during the summer of 2013 and retained the professional tourism-consulting firm of Total Destination Marketing (TDM) in October 2013 after conducting a competitive RFP process.
Starting in October 2013, the Tourism Development Strategy Task Force has conducted two public workshops, held five meetings open to the public, reviewed a 201-page Fieldwork Research Report released in December 2013, and discussed on March 20 the recommendations contained in the 62-page “Draft Tourism Development Strategy” document prepared by TDM and released in March 2014.

Following a meeting of the Task Force held on March 20 where the Draft Strategy was reviewed in detail, a public-comment period on the Draft Strategy was held March 21-31. Following the close of public comment, staff and consultants compiled and analyzed the comments and presented a report to the Council at the April 7 Council work session. Also during this time period the Task Force was surveyed regarding the relative priorities of various recommendations and this input was incorporated into the Revised Draft.

After hearing from the City Council on April 7, consultants and staff utilized the public comments, additional task force feedback on priorities, and Council direction to modify the March Draft and produce an April Revised Draft. Task Force suggestions at the April 24 meeting were then further incorporated into the April Revised Draft for producing the final May version.

CURRENT YEAR BUDGET IMPACTS

A portion of the City’s Hotel/Motel Tax (also known as Transient Lodging Tax) is used to fund tourism-related programs. State law requires that the City expend at least 40% of the tax on tourism-related programs. Following is a break-out of the current and next fiscal year budgets:

3. Two public, community workshops with 34 participants held in the evenings on Oct. 16 and Oct. 23, 2013.
5. A total of 27 in-person interviews with local-area tourism stakeholders, plus phone interviews with experts outside of the Wilsonville, conducted by consultants from TDM.
8. Email notices to over 50 interested members of the public of all workshops, meetings, surveys and document releases.
