XII. Proposal Evaluation and Selection
A Selection Review Committee of at least three members will be appointed to evaluate the Proposals received. Each committee member will independently evaluate each Proposal in accordance with the criteria stated in the Proposal Requirements section of this RFP.

The City may also seek expert advice to help review Proposals. Advisors to the Selection Review Committee may attend evaluation meetings and consultant presentations, evaluate the Proposals, and lend any such expertise to the process as requested by the City. However, any such person that is contacted by the City for their expert advice shall not, from first being contacted until the RFP process is completed or otherwise brought to an end, have communications with any Proposers regarding their Proposals or the RFP process.

At any point during the evaluation process, the City is permitted to seek clarification of any Proposal.

**Interview Evaluation**

If determined to be necessary or desirable by the City, finalists from the written evaluation may be invited to participate in an additional interview evaluation process. The number of finalists will be determined by the Selection Review Committee. The interview evaluation process will provide an opportunity for Proposers to make a presentation to clarify their Proposal and for the Selection Review Committee to ask additional questions related to the Proposal and Scope of Work. The City will notify finalists of the interview evaluation time and location and allow for a reasonable period of time for finalists to prepare presentations.

After the interviews, each member of the Selection Review Committee will re-evaluate and re-score each finalist interviewed according to the Evaluation Criteria. Each member will rank, in descending order, each interview by total score.

**Successful Proposer Determination**

The Proposer with the highest overall ranking, as determined by the Selection Review Committee, shall be identified as the Successful Proposer. Depending on the number of Proposers and the point spread among Proposals, the Selection Review Committee may determine that an interview evaluation is needed to determine the Successful Proposer. Those Proposers selected for interviews will be based on the Proposals with the highest overall ranking.

If interviews are conducted, the Successful Proposer will be determined based on the adjusted post-interview score and ranking in accordance with the Evaluation Criteria. The Proposer with the highest overall adjusted ranking, as determined by the Selection Review Committee, shall be identified as the Successful Proposer.
The City reserves the right to perform additional investigations of any Proposer, including communication with licensing authorities, former clients and references, and other means as the City deems appropriate and may reject any Proposal upon finding a record of Proposer’s substandard workmanship.

The Selection Review Committee shall determine the final ranking of Proposers, and the Committee’s decision is final. Upon determination of the Successful Proposer and performance of additional investigations, the City will issue a Notice of Intent to Award letter notifying all Proposers of the City’s selection of a Successful Proposer and protest procedures.

The City reserves the right to negotiate a final contract that is in the best interest of the City. With regards to the Professional Services Agreement, the City will only negotiate those provisions that were noted as Exceptions in the Proposal. The City will attempt to reach a final agreement with the Successful Proposer. The City may, in its sole discretion, terminate negotiations and reject the Proposal in the event agreement cannot be reached. The City may then attempt to reach final agreement with the next highest ranked Proposer, and so on with the remaining Proposers, until an agreement is reached. In the alternative, the City may at any time elect to reject all Proposals and begin the RFP process over.

After the City has reached final agreement with the Proposer, the Selection Review Committee will make a recommendation to the Wilsonville City Council, for contracts over $100,000. The Wilsonville City Council will then make the final contract award decision.

**Award Protest**
A Proposer believing to have been adversely affected or aggrieved by the selection of the Successful Proposer may submit a protest to the City in accordance with OAR 137-048-0240. The protest must be in writing and submitted to:

    City of Wilsonville
    Attn: Dominique Huffman
    29799 SW Town Center Loop East
    Wilsonville, OR 97070
    OR
    huffman@ci.wilsonville.or.us

Award protests shall include “2018 Street Maintenance – Award Protest” in the subject line or written on the front of the envelope. The written protest must be received by the City no later than seven (7) calendar days after the date the Notice of Intent to Award letter was issued. The protest should demonstrate that all higher ranked Proposers failed to meet the requirements of the RFP or are not qualified to perform the services described in the RFP. Protests received after the submittal deadline will not be considered.

No contract associated with the RFP will be awarded until any protests have been resolved. The City will evaluate and resolve all award protests submitted before the deadline within a reasonable time following receipt of the protest. The City will promptly issue a written decision on the protest to the Proposer who submitted the protest. If the City’s written decision on the
protest results in a change to the RFP, the City shall cancel the Notice of Intent to Award, revise the RFP documents accordingly, and solicit for new Proposals. The City’s decision regarding the protest is final and concludes the administrative appeals process.

CITY OF WILSONVILLE
PROFESSIONAL SERVICES AGREEMENT

This Professional Services Agreement ("Agreement") is made and entered into on this ____ day of _______________ 2018 ("Effective Date") by and between the City of Wilsonville, a municipal corporation of the State of Oregon (hereinafter referred to as the “City”), and ______________________ a(n) ___________ [state] _______________ [corporation/limited liability company, etc.] (hereinafter referred to as “Consultant”).

RECITALS

WHEREAS, the City requires services which Consultant is capable of providing, under terms and conditions hereinafter described; and

WHEREAS, Consultant represents that Consultant is qualified to perform the services described herein on the basis of specialized experience and technical expertise; and

WHEREAS, Consultant is prepared to provide such services as the City does hereinafter require.

NOW, THEREFORE, in consideration of these mutual promises and the terms and conditions set forth herein, the parties agree as follows:

AGREEMENT

Section 1. Term

The term of this Agreement shall be from the Effective Date until all services required to be performed hereunder ("Services") are completed and accepted, or no later than ________________, 20____, whichever occurs first, unless earlier terminated in accordance herewith or an extension of time is agreed to, in writing, by the City.

Section 2. Consultant’s Services

2.1. Consultant shall diligently perform the ____________________ Services according to the requirements [and deliverable dates] identified in the Scope of Services, attached hereto as Exhibit A and incorporated by reference herein, for the ____________________ Project ("Project").

2.2. All written documents, drawings, and plans submitted by Consultant in conjunction with the Services shall bear the signature, stamp, or initials of Consultant’s authorized Project Manager. Any documents submitted by Consultant which do not bear the signature, stamp, or initials of Consultant’s authorized Project Manager, will not be relied upon by the City. Interpretation of plans and answers to questions regarding the Services or Scope of Services given by Consultant’s Project Manager may be verbal or in writing, and may be relied
upon by the City, whether given verbally or in writing. If requested by the City to be in writing, Consultant’s Project Manager will provide such written documentation.

2.3. Consultant will not be deemed to be in default by reason of delays in performance due to reasons beyond Consultant’s reasonable control, including but not limited to strikes, lockouts, severe acts of nature, or other unavoidable delays or acts of third parties not under Consultant’s direction and control (“Force Majeure”). In the case of the happening of any Force Majeure event, the time for completion of the Services will be extended accordingly and proportionately by the City, in writing. Lack of labor, supplies, materials, or the cost of any of the foregoing shall not be deemed a Force Majeure event.

2.4. The existence of this Agreement between the City and Consultant shall not be construed as the City’s promise or assurance that Consultant will be retained for future services beyond the Scope of Services described herein.

2.5. Consultant shall maintain the confidentiality of any confidential information that is exempt from disclosure under state or federal law to which Consultant may have access by reason of this Agreement. Consultant warrants that Consultant’s employees assigned to work on the Services provided in this Agreement shall be clearly instructed to maintain this confidentiality. All agreements with respect to confidentiality shall survive the termination or expiration of this Agreement.

Section 3. Compensation

3.1. Except as otherwise set forth in this Section 3, the City agrees to pay Consultant [the fixed price of / a unit price of / a not to exceed amount of / on a time and materials basis, guaranteed not to exceed] ______________________________ DOLLARS ($_________) for performance of the Services (“Compensation Amount”). Any compensation in excess of the Compensation Amount will require an express written Addendum to be executed between the City and Consultant.

[USE THIS PARAGRAPH IF THERE IS A RATE SHEET:]

3.2. During the course of Consultant’s performance, if the City, through its Project Manager, specifically requests Consultant to provide additional services that are beyond the Scope of Services described on Exhibit A, Consultant shall provide such additional services and bill the City at the hourly rates outlined on Consultant’s Rate Schedule, as set forth in Exhibit B. Compensation above the amount shown in Subsection 3.1, including compensation under this Section 3.2, requires a written Addendum, executed in compliance with the provisions of Section 17.

[OR: USE THIS PARAGRAPH IF THERE IS NO RATE SHEET:]

3.3. During the course of Consultant’s performance, if the City, through its Project Manager, specifically requests Consultant to provide additional services that are beyond the Scope of Services described on Exhibit A, a written Addendum to this Agreement must be executed in compliance with the provisions of Section Error! Reference source not found..
3.4. Except for amounts withheld by the City pursuant to this Agreement, Consultant will be paid for Services for which an itemized invoice is received by the City within thirty (30) days of receipt, unless the City disputes such invoice. In that instance, the undisputed portion of the invoice will be paid by the City within the above timeframe. The City will set forth its reasons for the disputed claim amount and make good faith efforts to resolve the invoice dispute with Consultant as promptly as is reasonably possible.

OR:

3.5. Payment will be made within thirty (30) days of completion of the Services. The Services shall be deemed completed when accepted by the City, in writing.

3.6. The City will be responsible for the direct payment of required fees payable to governmental agencies, including but not limited to plan checking, land use, zoning, and all other similar fees resulting from this Project, that are not specifically covered by Exhibit A.

3.7. Consultant’s Compensation Amount and Rate Schedule are all inclusive and include, but are not limited to, all work-related costs, expenses, salaries or wages, plus fringe benefits and contributions, including payroll taxes, workers compensation insurance, liability insurance, profit, pension benefits and similar contributions and benefits, technology and/or software charges, licensing, trademark, and/or copyright costs, office expenses, travel expenses, mileage, and all other indirect and overhead charges.

Section 4. Prevailing Wages

This is a contract for a Public Works Project subject to ORS 279C.800 to 279C.870. Therefore, not less than the current applicable state prevailing wage must be paid on this Project. Wage rates for this Project are those published by the Bureau of Labor and Industries (BOLI), effective January 1, 2018, and all subsequent amendments. The BOLI prevailing wage rate for public works contracts can be found at the following website: [http://www.oregon.gov/boli/WHD/PWR/Pages/pwr_state.aspx](http://www.oregon.gov/boli/WHD/PWR/Pages/pwr_state.aspx). Because this is a public works contract subject to payment of prevailing wages, each worker in each trade or occupation employed in the performance of the Services, either by Consultant, a subcontractor, or other person doing or contracting to do, or contracting for the whole or any part of the Services, must be paid not less than the applicable state prevailing wage for an hour’s work in the same trade or occupation in the locality where such labor is performed, in accordance with ORS 279C.838 and 279C.840, if applicable. In addition, this contract is also covered by the federal Davis-Bacon Act (40 USC § 3141 et seq.). Therefore, Consultant and subcontractors shall pay workers or others performing Services contemplated by this Agreement the higher of the state or federal prevailing rate of wage, as determined by the Commissioner of the Bureau of Labor and Industries, in accordance with ORS 279C. Consultant must comply with all public contracting wages required by law. Consultant and any subcontractor, or their sureties, shall file a certificate of rate of wage as required by ORS 279C.845. If the City determines at any time that the prevailing rate of wages has not been or is not being paid as required herein, it may retain from the moneys due to Consultant an amount sufficient to make up the difference between the wages actually paid and the prevailing rate of wages, and may also cancel the
contract for breach. Consultant shall be liable to the workers affected for failure to pay the required rate of wage, including all fringe benefits under ORS 279C.840(5). Consultant shall include a contract provision in compliance with this paragraph in every subcontract and shall require each subcontractor to include it in subcontract(s).

Section 5. City’s Rights and Responsibilities

5.1. The City will designate a Project Manager to facilitate day-to-day communication between Consultant and the City, including timely receipt and processing of invoices, requests for information, and general coordination of City staff to support the Project.

5.2. Award of this contract is subject to budget appropriation. Funds are approved for Fiscal Year 2017-18. If not completed within this fiscal year, funds may not be appropriated for the next fiscal year. The City also reserves the right to terminate this contract early, as described in Section 15.

Section 6. City’s Project Manager

The City’s Project Manager is ___________________. The City shall give Consultant prompt written notice of any re-designation of its Project Manager.

Section 7. Consultant’s Project Manager

Consultant’s Project Manager is ___________________. In the event that Consultant’s designated Project Manager is changed, Consultant shall give the City prompt written notification of such re-designation. Recognizing the need for consistency and knowledge in the administration of the Project, Consultant’s Project Manager will not be changed without the written consent of the City, which consent shall not be unreasonably withheld. In the event the City receives any communication from Consultant that is not from Consultant’s designated Project Manager, the City may request verification by Consultant’s Project Manager, which verification must be promptly furnished.

Section 8. Project Information

Except for confidential information designated by the City as information not to be shared, Consultant agrees to share Project information with, and to fully cooperate with, those corporations, firms, contractors, public utilities, governmental entities, and persons involved in or associated with the Project. No information, news, or press releases related to the Project, whether made to representatives of newspapers, magazines, or television and radio stations, shall be made without the written authorization of the City’s Project Manager.

Section 9. Duty to Inform

[DELETE THIS PARAGRAPH IF NOT FOR ENGINEERING-TYPE SERVICES]

If at any time during the performance of this Agreement or any future phase of this Agreement for which Consultant has been retained, Consultant becomes aware of actual or potential
problems, faults, or defects in the Project or Scope of Services, or any portion thereof; or of any nonconformance with federal, state, or local laws, rules, or regulations; or if Consultant has any objection to any decision or order made by the City with respect to such laws, rules, or regulations, Consultant shall give prompt written notice thereof to the City’s Project Manager. Any delay or failure on the part of the City to provide a written response to Consultant shall neither constitute agreement with nor acquiescence to Consultant’s statement or claim, nor constitute a waiver of any of the City’s rights.

Section 10. Subcontractors and Assignments

[CHOOSE THIS PARAGRAPH IF NO SUBCONTRACTING IS ALLOWED:]

10.1. Consultant shall not subcontract with others for any of the Services prescribed herein. Consultant shall not assign any of Consultant’s rights acquired hereunder without obtaining prior written approval from the City, which approval may be granted or denied in the City’s sole discretion.

[CHOOSE THIS PARAGRAPH IF SUBCONTRACTING WILL BE ALLOWED:]

[DELETE FIRST SENTENCE IF SUBCONTRACTOR ALREADY SELECTED]

10.2. Unless expressly authorized in Exhibit A or Section 11 of this Agreement, Consultant shall not subcontract with others for any of the Services prescribed herein. Consultant shall not assign any of Consultant’s rights acquired hereunder without obtaining prior written approval from the City, which approval may be granted or denied in the City’s sole discretion. Some Services may be performed by persons other than Consultant, provided Consultant advises the City of the names of such subcontractors and the work which they intend to perform, and the City specifically agrees in writing to such subcontracting. Consultant acknowledges such work will be provided to the City pursuant to a subcontract(s) between Consultant and subcontractor(s) and no privity of contract exists between the City and the subcontractor(s). Unless otherwise specifically provided by this Agreement, the City incurs no liability to third persons for payment of any compensation provided herein to Consultant. Any attempted assignment of this Agreement without the written consent of the City shall be void. Except as otherwise specifically agreed, all costs for work performed by others on behalf of Consultant shall not be subject to additional reimbursement by the City.

10.3. The City shall have the right to enter into other agreements for the Project, to be coordinated with this Agreement. Consultant shall cooperate with the City and other firms, engineers or subcontractors on the Project so that all portions of the Project may be completed in the least possible time and within normal working hours. Consultant shall furnish other engineers, subcontractors and affected public utilities, whose designs are fitted into Consultant’s design, detail drawings giving full information so that conflicts can be avoided.

Section 11. Consultant Is Independent Contractor

11.1. Consultant is an independent contractor for all purposes and shall be entitled to no compensation other than the Compensation Amount provided for under Section 3 of this Agreement. Consultant will be solely responsible for determining the manner and means of accomplishing the end result of Consultant’s Services. The City does not have the right to control or interfere with the manner or method of accomplishing said Services. The City,
however, will have the right to specify and control the results of Consultant’s Services so such Services meet the requirements of the Project.

[CHOOSE THIS PARAGRAPH IF NO SUBCONTRACTING IS ALLOWED:]

11.2. No subcontracting or assignment of this Agreement is allowed.

[INCLUDE NEXT TWO PARAGRAPHS IF SUBCONTRACTING WILL BE ALLOWED:]

11.3. Consultant may request [has requested] that some consulting Services be performed on the Project by persons or firms other than Consultant, through a subcontract with Consultant. Consultant acknowledges that if such Services are provided to the City pursuant to a subcontract(s) between Consultant and those who provide such services, Consultant may not utilize any subcontractor(s), or in any way assign its responsibility under this Agreement, without first obtaining the express written consent of the City, which consent may be given or denied in the City’s sole discretion. For all Services performed under subcontract to Consultant, as approved by the City, Consultant shall only charge the compensation rates shown on an approved Rate Schedule. Rate Schedules for named or unnamed subcontractors, and Consultant markups of subcontractor billings, will only be recognized by the City as set forth in Consultant’s Rate Schedule, unless documented and approved, in writing, by the City pursuant to a modification to Consultant’s Rate Schedule, per Section 17 of this Agreement. In all cases, processing and payment of billings from subcontractors is solely the responsibility of Consultant.

11.4. Consultant shall be responsible for, and defend, indemnify, and hold the City harmless against, any liability, cost, or damage arising out of Consultant’s use of such subcontractor(s) and subcontractor’s negligent acts, errors, or omissions. Unless otherwise agreed to, in writing, by the City, Consultant shall require that all of Consultant’s subcontractors also comply with, and be subject to, the provisions of this Section 11 and meet the same insurance requirements of Consultant under this Agreement.

Section 12. Consultant Responsibilities

12.1. Consultant shall make prompt payment for any claims for labor, materials, or services furnished to Consultant by any person in connection with this Agreement, as such claims become due. Consultant shall not permit any liens or claims to be filed or prosecuted against the City on account of any labor or material furnished to or on behalf of Consultant. If Consultant fails, neglects, or refuses to make prompt payment of any such claim, the City may, but shall not be obligated to, pay such claim to the subcontractor furnishing the labor, materials, or services and offset the amount of the payment against funds due or to become due to Consultant under this Agreement. The City may also recover any such amounts directly from Consultant.

12.2. Consultant must comply with all applicable Oregon and federal wage and hour laws, including BOLI wage requirements, if applicable. Consultant shall make all required workers compensation and medical care payments on time. Consultant shall be fully responsible for payment of all employee withholdings required by law, including but not limited to taxes, including payroll, income, Social Security (FICA), and Medicaid. Consultant
shall also be fully responsible for payment of salaries, benefits, taxes, Industrial Accident Fund contributions, and all other charges on account of any employees. Consultant shall pay to the Department of Revenue all sums withheld from employees pursuant to ORS 316.167. All costs incident to the hiring of assistants or employees shall be Consultant’s responsibility. Consultant shall defend, indemnify, and hold the City harmless from claims for payment of all such expenses. Unless otherwise expressly set forth on Exhibit B as a reimbursable expense item not included in the Compensation Amount, specific costs associated with items set forth in this subsection shall be deemed as fully and conclusively included in the rate upon which Consultant’s Compensation Amount is based.

12.3. No person shall be discriminated against by Consultant or any subcontractor in the performance of this Agreement on the basis of sex, gender, race, color, creed, religion, marital status, age, disability, sexual orientation, gender identity, or national origin. Any violation of this provision shall be grounds for cancellation, termination, or suspension of the Agreement, in whole or in part, by the City.

12.4. References to “subcontractor” mean a subcontractor at any tier.

[USE THIS INSURANCE SECTION IF SUBCONTRACTORS WILL BE ALLOWED:]

Section 13. Indemnity and Insurance

13.1. Indemnification. Consultant acknowledges responsibility for liability arising out of the performance of this Agreement, and shall defend, indemnify, and hold the City harmless from any and all liability, settlements, loss, costs, and expenses in connection with any action, suit, or claim resulting or allegedly resulting from Consultant’s negligent acts, omissions, errors, or willful or reckless misconduct pursuant to this Agreement, or from Consultant’s failure to perform its responsibilities as set forth in this Agreement. The review, approval, or acceptance by the City, its Project Manager, or any City employee of documents or other work performed, prepared, or submitted by Consultant shall not be considered a negligent act, error, omission, or willful misconduct on the part of the City, and none of the foregoing shall relieve Consultant of its responsibility to perform in full conformity with the City’s requirements, as set forth in this Agreement, and to indemnify the City as provided above and to reimburse the City for any and all costs and damages suffered by the City as a result of Consultant’s negligent performance of this Agreement, failure of performance hereunder, violation of state or federal laws, or failure to adhere to the standards of performance and care described in Subsection 14.2. Consultant shall defend the City (using legal counsel reasonably acceptable to the City) against any claim that alleges negligent acts, omissions, errors, or willful or reckless misconduct by Consultant.

13.2. Standard of Care. In the performance of professional services, Consultant agrees to use at least that degree of care and skill exercised under similar circumstances by reputable members of Consultant’s profession practicing in the Portland metropolitan area. Consultant will re-perform any Services not meeting this standard without additional compensation. Consultant’s re-performance of any Services, even if done at the City’s request, shall not be considered as a limitation or waiver by the City of any other remedies or claims it
may have arising out of Consultant’s failure to perform in accordance with the applicable standard of care of this Agreement and within the prescribed timeframe.

13.3. **Insurance Requirements.** Consultant shall maintain insurance coverage acceptable to the City in full force and effect throughout the term of this Agreement. Such insurance shall cover all risks arising directly or indirectly out of Consultant’s activities or work hereunder. Any and all agents, contractors, or subcontractors with which Consultant contracts to work on the Services must have insurance that conforms to the insurance requirements in this Agreement. The amount of insurance carried is in no way a limitation on Consultant’s liability hereunder. The policy or policies of insurance maintained by Consultant shall provide at least the following minimum limits and coverages at all times during performance under this Agreement:

13.3.1. **Commercial General Liability Insurance.** Consultant and all subcontractors shall obtain, at each of their own expense, and keep in effect during the term of this Agreement, comprehensive Commercial General Liability Insurance covering Bodily Injury and Property Damage, written on an “occurrence” form policy. This coverage shall include broad form Contractual Liability insurance for the indemnities provided under this Agreement and shall be for the following minimum insurance coverage amounts: The coverage shall be in the amount of $2,000,000 for each occurrence and $3,000,000 general aggregate and shall include Products-Completed Operations Aggregate in the minimum amount of $2,000,000 per occurrence, Fire Damage (any one fire) in the minimum amount of $50,000, and Medical Expense (any one person) in the minimum amount of $10,000. All of the foregoing coverages must be carried and maintained at all times during this Agreement.

13.3.2. **Professional Errors and Omissions Coverage.** Consultant agrees to carry Professional Errors and Omissions Liability insurance on a policy form appropriate to the professionals providing the Services hereunder with a limit of no less than $2,000,000 per claim. Consultant shall maintain this insurance for damages alleged to be as a result of errors, omissions, or negligent acts of Consultant. Such policy shall have a retroactive date effective before the commencement of any work by Consultant on the Services covered by this Agreement, and coverage will remain in force for a period of at least three (3) years thereafter.

13.3.3. **Business Automobile Liability Insurance.** If Consultant or any subcontractors will be using a motor vehicle in the performance of the Services herein, Consultant shall provide the City a certificate indicating that Consultant and its subcontractors have business automobile liability coverage for all owned, hired, and non-owned vehicles. The Combined Single Limit per occurrence shall not be less than $2,000,000.

13.3.4. **Workers Compensation Insurance.** Consultant, its subcontractors, and all employers providing work, labor, or materials under this Agreement that are subject employers under the Oregon Workers Compensation Law shall comply with ORS 656.017, which requires them to provide workers compensation coverage that
satisfies Oregon law for all their subject workers under ORS 656.126. Out-of-state employers must provide Oregon workers compensation coverage for their workers who work at a single location within Oregon for more than thirty (30) days in a calendar year. Consultants who perform work without the assistance or labor of any employee need not obtain such coverage. This shall include Employer’s Liability Insurance with coverage limits of not less than $500,000 each accident.

13.3.5. Insurance Carrier Rating. Coverages provided by Consultant and its subcontractors must be underwritten by an insurance company deemed acceptable by the City, with an AM Best Rating of A or better. The City reserves the right to reject all or any insurance carrier(s) with a financial rating that is unacceptable to the City.

13.3.6. Additional Insured and Termination Endorsements. Additional Insured coverage under Consultant’s Commercial General Liability, Automobile Liability, and Excess Liability Policies, as applicable, will be provided by endorsement. Additional insured coverage shall be for both ongoing operations via ISO Form CG 2010 or its equivalent, and products and completed operations via ISO Form CG 2037 or its equivalent. Coverage shall be Primary and Non-Contributory. Waiver of Subrogation endorsement via ISO Form CG 2404 or its equivalent shall be provided. The following is included as additional insured: “The City of Wilsonville, its elected and appointed officials, officers, agents, employees, and volunteers.” An endorsement shall also be provided requiring the insurance carrier to give the City at least thirty (30) days’ written notification of any termination or major modification of the insurance policies required hereunder. Consultant must be an additional insured on the insurance policies obtained by its subcontractors performing work on the Services contemplated under this Agreement.

13.3.7. Certificates of Insurance. As evidence of the insurance coverage required by this Agreement, Consultant shall furnish a Certificate of Insurance to the City. This Agreement shall not be effective until the required certificates and the Additional Insured Endorsements have been received and approved by the City. Consultant agrees that it will not terminate or change its coverage during the term of this Agreement without giving the City at least thirty (30) days’ prior advance notice and Consultant will obtain an endorsement from its insurance carrier, in favor of the City, requiring the carrier to notify the City of any termination or change in insurance coverage, as provided above.

13.4. Primary Coverage. The coverage provided by these policies shall be primary, and any other insurance carried by the City is excess. Consultant shall be responsible for any deductible amounts payable under all policies of insurance. If insurance policies are “Claims Made” policies, Consultant will be required to maintain such policies in full force and effect throughout any warranty period.

[OR: USE THIS INSURANCE SECTION IF NO SUBCONTRACTORS:] Section 14. Indemnity and Insurance
14.1. **Indemnification.** Consultant acknowledges responsibility for liability arising out of the performance of this Agreement, and shall defend, indemnify, and hold the City harmless from any and all liability, settlements, loss, costs, and expenses in connection with any action, suit, or claim resulting or allegedly resulting from Consultant’s negligent acts, omissions, errors, or willful or reckless misconduct pursuant to this Agreement, or from Consultant’s failure to perform its responsibilities as set forth in this Agreement. The review, approval, or acceptance by the City, its Project Manager, or any City employee of documents or other work performed, prepared, or submitted by Consultant shall not be considered a negligent act, error, omission, or willful misconduct on the part of the City, and none of the foregoing shall relieve Consultant of its responsibility to perform in full conformity with the City’s requirements, as set forth in this Agreement, and to indemnify the City as provided above and to reimburse the City for any and all costs and damages suffered by the City as a result of Consultant’s negligent performance of this Agreement, failure of performance hereunder, violation of state or federal laws, or failure to adhere to the standards of performance and care described in **Subsection 14.2**. Consultant shall defend the City (using legal counsel reasonably acceptable to the City) against any claim that alleges negligent acts, omissions, errors, or willful or reckless misconduct by Consultant.

14.2. **Standard of Care.** In the performance of professional services, Consultant agrees to use at least that degree of care and skill exercised under similar circumstances by reputable members of Consultant’s profession practicing in the Portland metropolitan area. Consultant will re-perform any Services not meeting this standard without additional compensation. Consultant’s re-performance of any Services, even if done at the City’s request, shall not be considered as a limitation or waiver by the City of any other remedies or claims it may have arising out of Consultant’s failure to perform in accordance with the applicable standard of care of this Agreement and within the prescribed timeframe.

14.3. **Insurance Requirements.** Consultant shall maintain insurance coverage acceptable to the City in full force and effect throughout the term of this Agreement. Such insurance shall cover all risks arising directly or indirectly out of Consultant’s activities or work hereunder. The amount of insurance carried is in no way a limitation on Consultant’s liability hereunder. The policy or policies of insurance maintained by Consultant shall provide at least the following minimum limits and coverages at all times during performance under this Agreement:

14.3.1. **Commercial General Liability Insurance.** Consultant shall obtain, at Consultant’s expense, and keep in effect during the term of this Agreement, comprehensive Commercial General Liability Insurance covering Bodily Injury and Property Damage, written on an “occurrence” form policy. This coverage shall include broad form Contractual Liability insurance for the indemnities provided under this Agreement and shall be for the following minimum insurance coverage amounts: The coverage shall be in the amount of **$2,000,000** for each occurrence and **$3,000,000** general aggregate and shall include Products-Completed Operations Aggregate in the minimum amount of **$2,000,000** per occurrence, Fire Damage (any one fire) in the minimum amount of **$50,000**, and Medical Expense (any one person) in the minimum
amount of $10,000. All of the foregoing coverages must be carried and maintained at all times during this Agreement.

14.3.2. Professional Errors and Omissions Coverage. Consultant agrees to carry Professional Errors and Omissions Liability insurance on a policy form appropriate to the professionals providing the Services hereunder with a limit of no less than $2,000,000 per claim. Consultant shall maintain this insurance for damages alleged to be as a result of errors, omissions, or negligent acts of Consultant. Such policy shall have a retroactive date effective before the commencement of any work by Consultant on the Services covered by this Agreement, and coverage will remain in force for a period of at least three (3) years thereafter.

14.3.3. Business Automobile Liability Insurance. If Consultant will be using a motor vehicle in the performance of the Services herein, Consultant shall provide the City a certificate indicating that Consultant has business automobile liability coverage for all owned, hired, and non-owned vehicles. The Combined Single Limit per occurrence shall not be less than $2,000,000.

14.3.4. Workers Compensation Insurance. Consultant and all employers providing work, labor, or materials under this Agreement that are subject employers under the Oregon Workers Compensation Law shall comply with ORS 656.017, which requires them to provide workers compensation coverage that satisfies Oregon law for all their subject workers under ORS 656.126. Out-of-state employers must provide Oregon workers compensation coverage for their workers who work at a single location within Oregon for more than thirty (30) days in a calendar year. Consultants who perform work without the assistance or labor of any employee need not obtain such coverage. This shall include Employer’s Liability Insurance with coverage limits of not less than $500,000 each accident.

14.3.5. Insurance Carrier Rating. Coverages provided by Consultant must be underwritten by an insurance company deemed acceptable by the City, with an AM Best Rating of A or better. The City reserves the right to reject all or any insurance carrier(s) with a financial rating that is unacceptable to the City.

14.3.6. Additional Insured and Termination Endorsements. Additional Insured coverage under Consultant’s Commercial General Liability, Automobile Liability, and Excess Liability Policy(ies), as applicable, will be provided by endorsement. Additional insured coverage shall be for both ongoing operations via ISO Form CG 2010 or its equivalent, and products and completed operations via ISO Form CG 2037 or its equivalent. Coverage shall be Primary and Non-Contributory. Waiver of Subrogation endorsement via ISO Form CG 2404 or its equivalent shall be provided. The following is included as additional insured: “The City of Wilsonville, its elected and appointed officials, officers, agents, employees, and volunteers.” An endorsement shall also be provided requiring the insurance carrier to give the City at least thirty (30) days’ written notification of any termination or major modification of the insurance policies required hereunder.
14.3.7. **Certificates of Insurance.** As evidence of the insurance coverage required by this Agreement, Consultant shall furnish a Certificate of Insurance to the City. This Agreement shall not be effective until the required certificates and the Additional Insured Endorsements have been received and approved by the City. Consultant agrees that it will not terminate or change its coverage during the term of this Agreement without giving the City at least thirty (30) days’ prior advance notice and Consultant will obtain an endorsement from its insurance carrier, in favor of the City, requiring the carrier to notify the City of any termination or change in insurance coverage, as provided above.

14.4. **Primary Coverage.** The coverage provided by these policies shall be primary, and any other insurance carried by the City is excess. Consultant shall be responsible for any deductible amounts payable under all policies of insurance. If insurance policies are “Claims Made” policies, Consultant will be required to maintain such policies in full force and effect throughout any warranty period.

**Section 15. Early Termination; Default**

15.1. This Agreement may be terminated prior to the expiration of the agreed upon terms:

15.1.1. By mutual written consent of the parties;

15.1.2. By the City, for any reason, and within its sole discretion, effective upon delivery of written notice to Consultant by mail or in person; or

15.1.3. By Consultant, effective upon seven (7) days’ prior written notice in the event of substantial failure by the City to perform in accordance with the terms through no fault of Consultant, where such default is not cured within the seven (7) day period by the City. Withholding of disputed payment is not a default by the City.

15.2. If the City terminates this Agreement, in whole or in part, due to default or failure of Consultant to perform Services in accordance with the Agreement, the City may procure, upon reasonable terms and in a reasonable manner, services similar to those so terminated. In addition to any other remedies the City may have, both at law and in equity, for breach of contract, Consultant shall be liable for all costs and damages incurred by the City as a result of the default by Consultant, including, but not limited to all costs incurred by the City in procuring services from others as needed to complete this Agreement. This Agreement shall be in full force to the extent not terminated by written notice from the City to Consultant. In the event of a default, the City will provide Consultant with written notice of the default and a period of ten (10) days to cure the default. If Consultant notifies the City that it wishes to cure the default but cannot, in good faith, do so within the ten (10) day cure period provided, then the City may elect, in its sole discretion, to extend the cure period to an agreed upon time period, or the City may elect to terminate this Agreement and seek remedies for the default, as provided above.
15.3. If the City terminates this Agreement for its own convenience not due to any default by Consultant, payment of Consultant shall be prorated to, and include the day of, termination and shall be in full satisfaction of all claims by Consultant against the City under this Agreement.

15.4. Termination under any provision of this section shall not affect any right, obligation, or liability of Consultant or the City that accrued prior to such termination. Consultant shall surrender to the City items of work or portions thereof, referred to in Section 19, for which Consultant has received payment or the City has made payment.

Section 16. Suspension of Services

The City may suspend, delay, or interrupt all or any part of the Services for such time as the City deems appropriate for its own convenience by giving written notice thereof to Consultant. An adjustment in the time of performance or method of compensation shall be allowed as a result of such delay or suspension unless the reason for the delay is within Consultant’s control. The City shall not be responsible for Services performed by any subcontractors after notice of suspension is given by the City to Consultant. Should the City suspend, delay, or interrupt the Services and the suspension is not within Consultant’s control, then the City shall extend the time of completion by the length of the delay.

Section 17. Modification/Addendum

Any modification of the provisions of this Agreement shall not be enforceable unless reduced to writing and signed by both the City and Consultant. A modification is a written document, contemporaneously executed by the City and Consultant, which increases or decreases the cost to the City over the agreed Compensation Amount in Section 3 of this Agreement, or changes or modifies the Scope of Services or the time for performance. No modification shall be binding or effective until executed, in writing, by both Consultant and the City. In the event Consultant receives any communication of whatsoever nature from the City, which communication Consultant contends gives rise to any modification of this Agreement, Consultant shall, within five (5) days after receipt, make a written request for modification to the City’s Project Manager in the form of an Addendum. Consultant’s failure to submit such written request for modification in the form of an Addendum shall be the basis for refusal by the City to treat said communication as a basis for modification or to allow such modification. In connection with any modification to this Agreement affecting any change in price, Consultant shall submit a complete breakdown of labor, material, equipment, and other costs. If Consultant incurs additional costs or devotes additional time on Project tasks, the City shall be responsible for payment of only those additional costs for which it has agreed to pay under a signed Addendum. To be enforceable, the Addendum must describe with particularity the nature of the change, any delay in time the Addendum will cause, or any increase or decrease in the Compensation Amount. The Addendum must be signed and dated by both Consultant and the City before the Addendum may be implemented.

Section 18. Access to Records
The City shall have access, upon request, to such books, documents, receipts, papers, and records of Consultant as are directly pertinent to this Agreement for the purpose of making audit, examination, excerpts, and transcripts for a period of four (4) years, unless within that time the City specifically requests an extension. This clause shall survive the expiration, completion, or termination of this Agreement.

If the City is required to seek legal assistance to enforce any term of this Agreement, such fees shall include all of the above fees, whether or not a proceeding is initiated. Payment of all such fees shall also apply to any administrative proceeding, trial, and/or any appeal or petition for review.
21.8. **Nonwaiver.** Failure by either party at any time to require performance by the other party of any of the provisions of this Agreement shall in no way affect the party’s rights hereunder to enforce the same, nor shall any waiver by the party of the breach hereof be held to be a waiver of any succeeding breach or a waiver of this nonwaiver clause.

21.9. **Severability.** If any provision of this Agreement is found to be void or unenforceable to any extent, it is the intent of the parties that the rest of the Agreement shall remain in full force and effect, to the greatest extent allowed by law.
