About the 2024 Summer Reading Program (SRP)...

Each day you read at least 20 minutes, mark one spot on the reading log. Only one spot per day! You may complete up to four logs from June - August.

Return completed logs between June 20 - August 31.

Logs received before the last summer Teen Event will be entered into a bonus Grand Prize Drawing awarded to one attendee at that event. All logs received before August 31 will be entered into the final Grand Prize Drawing. Finishers receive a free book and other prizes (while they last).
