A RESOLUTION AUTHORIZING INCREASE IN RATES UNDER GARBAGE FRANCHISE CONTRACT WITH UNITED DISPOSAL SERVICE, INC.

WHEREAS, Wilsonville City Ordinance No. 4 provides for the City to contract for garbage collection service; and

WHEREAS, a contract was entered into between the City and United Disposal Service, Inc., and the contract provides that the rates, which shall be reasonable and uniform, shall not be in excess of the scheduled charges approved by the City and that said charges may be revised to reflect changes in cost of doing business and other factors; and

WHEREAS, the Franchisee has applied for an increase in the maximum rates authorized and the Wilsonville City Council has considered the request and presentation of the Franchisee, and the City Council has found the following:

1. That the last rate increase was approved by the City Council in December 1977, effective after December 31, 1977.
2. That there has been a substantial increase in the cost of doing business for the Franchisee since the last increase.
