RE: "Declaring old Chlorine Scale as surplus"

Mr. La Pierre at the Wastewater Treatment plant has received a request to purchase the old Chlorine Scale per the attached letter. As the Scale is no longer used by the City of Wilsonville, I would recommend the following action taken.

Recommendation:

Declare the old Chlorine Scale to be surplus property and advertise as such to meet advertising requirements. If no offers are received from any other Municipalities, direct the Purchasing Agent to sell the Scale to John Allen at the quoted price of \$250.00 cash.

(WALLACE & TIERNAN)

Dear Mr. LaPierre:

JOHN ALLEN RESEARCH would like to purchase the above surplus chlorine scale for \$250 cash OR \$350 credit toward labor. The labor would be used to overhaul and/or train your personnel on the W&T chlorination equipment at your plant.

This offer is good for thirty days. I look forward to hearing from you.

Sincerely,

John W. Allen
