TO: HONORABLE MAYOR AND CITY COUNCILOR
FROM: RAY SHORTEN, FINANCE DIRECTOR
DATE: FEBRUARY 16, 1988
RE: RECOMMENDATION REGARDING PURCHASE OF 1/2 TON PICKUPS

On February 12, 1988 at 10:05 a.m., bids were opened for the purchase of two (2) 1/2 ton pickups. The equipment had been advertised and specifications prepared as outlined in the City's purchasing policy.

The following listing shows those bids received, in the order in which they were opened. The bid amount represents the total price for the two pickups less the trade-in amount.

1.	Landmark Ford	\$17,621.00
2.	Canby Ford	\$19,070.00
3.	Russ Chevrolet	\$20,148.00
4.	Miles Chevrolet	\$19,916.34
5.	Bruce Chevrolet	\$19,546.00

When the original specifications were prepared, the transmission was listed as being a 4-speed automatic, with overdrive. In reviewing the bids, it was determined that the model made by Ford is equipped with a 3-speed automatic with overdrive. We are aware of this exception, and feel that the vehicle still logically meets the specifications.

RECOMMENDATION:

Approve the purchase of two 1/2 ton pick-ups from the low bidder, Landmark Ford at a total price including trade-in of \$17,621.00. This expenditure was budgeted and should be expended from the Fleet Service line item # 12-90-7102500.
