RE: SELECTION OF VENDOR TO RELOCATE CITY LIBRARY

Staff used the Request for Proposal process to solicit price quotes for relocating the contents of the City library to the new building. Thirty RFP's were mailed out and 10 vendors responded. All vendors are regulated by the Oregon P.U.C. Commission, so the rates charged are pretty comparable. As you can see from the attached table, I evaluated each vendor by the equipment and man hours estimated to achieve the move.

I could not consider King Moving & Storage in the final evaluation as their estimate did not include unpacking the books at the new library.

After evaluating the qualified vendors it would appear that Lile Moving and Storage would provide the most man hours and equipment for the price. Their representative has been most helpful in providing good references, as well as a well planned procedure for accomplishing the move.

RECOMMENDATION:

Accept price estimate of \$1,491.35 from Lile Moving and Storage to move the library contents to the new building.
